Upper Redesdale Show 2014

A 'quality' field of runners turned up from the four corners of the county and Scotland for the annual fell race at 'Rochester Show'. The three and half mile race is deceptively tough, climbing from the Show field up through the woods to Ridley Crag, back down again then another steep climb followed by a fast run home. The 'youths' and 'juniors' did variations of the senior course but all agreed 'it was hard'!

The Senior race was won by Kenny WHITEFORD of Peebles who having collected his prize money and trophy then set off home on his bike! It was another fantastic day out at a great traditional show with lots of things to do and see, well worth the trip.
