#### Organisers Comments

It was one of those perfect days. As Kevin Hayman of the North of Tyne SRT put it, "If you could set the fine tuning control on the weather then today's setting was the one you would choose". Despite the heavy rain of the previous days the going was good, grassy tracks, no bog or tussocks. Phil Sanderson (NFR) was on good form too and the prospects of a fast time seemed likely. This proved to be the way it turned out. Phil led from the start to finish strongly in a new record time of 58:05, some nine plus minutes ahead of second place man, Neil Morris of Low Fell. Both were also 1<sup>st</sup> and 2<sup>nd</sup> vet 40's. Karen Robertson yet again produced another great performance to finish eighth overall as 1<sup>st</sup> lady and 1<sup>st</sup> lady vet 40. Although her time of 1:11:27 was slightly slower than last years record time of 1:10:00 she thought this was because she had been talking too much on the way round.

The post race analysis and chat was carried out sitting in the sunshine at the recently opened and very well placed Barrowburn Tea Room.

Thanks again to all those who helped and to Ian Tait of Barrowburn for his support and help.
