Perfect conditions – dry, clear and a slight breeze to keep the midges at bay. The bracken was exceptionally high this year and proved testing to find a way through.

Some good tussles throughout the field and a very close finish for first place with Dark Peak's Jonny Malley just holding off a spirited challenge from recent Chevy Chase winner Bruce Crombie who closed in on the descent from The Beacon.

Karen Robertson showed off her recent good form bringing home the Ladies.

Further down the field a fantastic finish from Nina Cameron, Gary Mason and Louise Wilkinson resulting in a 3 way tie.

NFR Ladies of Karen, Nina and Louise took home the Ruth Fletcher Memorial Trophy, donated by family in her memory.

As usual lots of smiling faces and plenty of cuts and scrapes at the finish kindly treated by local Paramedic Alan.

Good beer and pickled eggs at The Gate Pub proved to be a fine end to the night.
