	Mild and dry conditions greeted the 73 runners for the first race of 2014.				
	Unfortunately the clag was down on Beacon Hill so no views of the Cheviots today.				
	Phil Sanderson and Lee Bennett had a great battle at the front with Phil finally				
	opening a small gap on the final climb.				
	Karen Robertson again led the ladies home finishing an agonising 3 seconds				
	outside the ladies course record.				
	Apologies to Hillary Ross who was 1st F50, but overlooked at presentation.				
	Paul Appleby.
