Heavy showers and cool but good going underfoot favoured some good times this year. Sixty seven runners from far and wide started but owing to an injury incurred on route one was forced to retire leaving sixty six to finish. The same number as last year some in the same position.

In a close run race Phil Sanderson (MV40), a former course record holder, led all the way despite a small detour on Windy Gyle summit. He wasn't pleased with his time (1.03.07) but he did say it was his memory that was at fault not the course marking. Forty one seconds later Lee Bennett (MV40) arrived to finish a close second and improved upon his third place at Alwinton. Adam Fletcher finished in third place and was first MV50 in 01:07:23. First MU23 was William Robson (01:09:12) finishing in 6th place as he did at Alwinton. Emma Holt was eighth overall and first lady (1.11.37). Catriona MacDonald (1:18:11) celebrated her 22nd birthday by becoming 1st lady under 23.

Team prizes to: NFR men Richard Garland, John Tollitt and Mike Telfer 34 points and NFR ladies Karen Robertson, Nina Cameron and Jane Briggs 92 points.

This was my final fell race as a fell race organiser. I would like to thank everyone who has helped me over the years and especially North of Tyne SRT for marshalling the course and Ian Tait and Eunice Tait (Barrowburn Farm & Tea Rooms) and Neil and Poppy Hindmarsh (Rowhope). I wish Phil Green all the best as he takes over as organiser for 2016. All funds raised will go to NOTSRT.
