It was good to see Alwinton Show go ahead after a 2 year absence in what is a truly wonderful setting for such an event.			
The start of the races were delayed to allow the backlog of traffic to get competitors to the event.			
There was some exceptional performances in the Junior races with Harry Knox of Alnwick winning the U16 race in 21m18s which would have made him 5 th place in the senior event and Jack Price of Morpeth second in 21m48s which would have made him 9 th . 2 runners to look out for in the next few years.			
Alicia Purvis of Alnwick won the U13 race in 26m.04s which would have made her 5 th in the senior race.			
Nick Swinburn again won the senior race followed by Richie Hughes and Joe Stringer making it a clean sweep for NFR.			
Ellie Price of Alnwick won the lady's race followed by Millie Breese of Morpeth and Karen Robertson of NFR.			
Many thanks to the registration team and NNPMRT personnel for manning the course and providing first aid cover.			
Paul Appleby.
