

## CHEVIOT FELL RUNNERS

**Supported by Northumberland Fell Runners and The Northumberland National Park Mountain Rescue Team.**

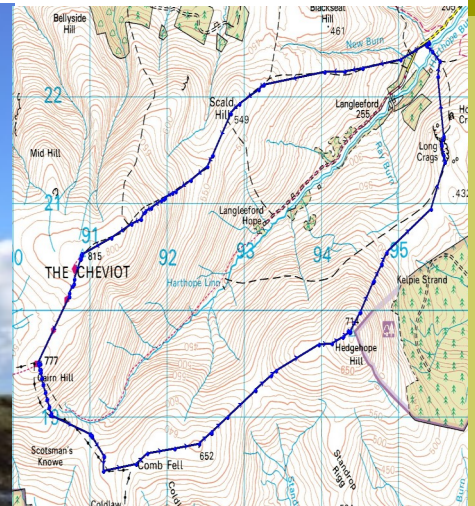

# The Cheviot Horseshoe.

## Sunday 12th of April

This year we are proud to bring you our most challenging yet rewarding route to date,  
The Cheviot Horseshoe.

The route begins from the usual start location at the end of the Harthope Valley, with both Cheviot and Hedgehope towering over you, this is a real showcase of what Northumberland has to offer. From here you will start off by tackling the highest that Northumberland can throw at you, The Cheviot. From the summit you will then follow the Pennine Way to Cairn Hill where you will turn left and head for Comb Fell. Making your way through the peat bogs you will start climbing up Hedgehope, before a steep descent off here, and then it's a sprint into the finish via Housey Crag.
